

**VILLAGE OF ALMONT  
RESOLUTION NO. 14-06-02**

**A RESOLUTION OF THE ALMONT VILLAGE COUNCIL TO INCREASE AND  
ADJUST THE WATER RATES OF THE VILLAGE, EFFECTIVE JULY 1, 2014**

The following preamble and resolution were offered by Council Member Love and supported by Council Member Umphenour.

**WHEREAS**, Chapter 14 of the Almont Village Charter and Section 19 of Ordinance No. 187 authorize the Almont Village Council to set water rates by resolution, and

**WHEREAS**, the Village Attorney of the Village of Almont has determined that the Village may vary fixed rate (also frequently referred to as ready-to-serve) charges based upon the size of the meter servicing a utility account as those accounts with larger meters can place a greater demand on the water system, and

**WHEREAS**, the Almont Village Council deems that it is in the best interest of the Village that revenues generated from water rates and charges be sufficient to pay all operating, maintenance, equipment replacement, depreciation, and any and all other water system related costs, and

**WHEREAS**, the Almont Village Council deems that it is in the best long-term interest of the Village and its infrastructure to implement rates that adequately and responsibly prepare for infrastructure upkeep on a consistent basis,

**NOW, THEREFORE, BE IT RESOLVED** that the Almont Village Council shall adopt the following quarterly fixed rate charges for water system services for accounts being serviced by those meter sizes as detailed below, effective July 1, 2014:

¾''	Meter	\$33.00
1''	Meter	\$46.81
1.50''	Meter	\$68.26
2.00''	Meter	\$99.46
3.00''	Meter	\$185.27
4.00''	Meter	\$310.08

**BE IT FURTHER RESOLVED** that the Almont Village Council shall adopt the following quarterly debt service charges for those accounts being serviced by those meter sizes as detailed below (for properties serviced outside of the Village of Almont), effective July 1, 2014:

¾''	Meter	\$48.03
1''	Meter	\$52.80
1.50''	Meter	\$86.43
2.00''	Meter	\$139.23
3.00''	Meter	\$528.12
4.00'	Meter	\$672.15

**BE IT FINALLY RESOLVED** that the Almont Village Council shall retain its consumption charge for water system services at its current rate of \$5.25 per 1,000 gallons without an increase being implemented at this point in time for this specific charge.
