

**VILLAGE OF ALMONT
RESOLUTION NO. 14-06-03**

**A RESOLUTION OF THE ALMONT VILLAGE COUNCIL TO INCREASE AND
ADJUST THE SEWER RATES OF THE VILLAGE, EFFECTIVE JULY 1, 2014**

The following preamble and resolution were offered by Council Member Dyke and supported by Council Member Tobias.

WHEREAS, Chapter 14 of the Almont Village Charter and Ordinance No. 150 authorize the Almont Village Council to set sewer rates by resolution, and

WHEREAS, the Village Attorney of the Village of Almont has determined that the Village may vary fixed rate (also frequently referred to as ready-to-serve) charges based upon the size of the meter servicing a utility account as those accounts with larger meters can place a greater demand on the sewer system, and

WHEREAS, the Almont Village Council deems that it is in the best interest of the Village that revenues generated from sewer rates and charges be sufficient to pay all operating, maintenance, equipment replacement, depreciation, and any and all other sewer system related costs, and

WHEREAS, the Almont Village Council deems that it is in the best long-term interest of the Village and its infrastructure to implement rates that adequately and responsibly prepare for infrastructure upkeep on a consistent basis,

NOW, THEREFORE, BE IT RESOLVED that the Almont Village Council shall adopt the following quarterly fixed rate charges for sewer system services for accounts being serviced by those meter sizes as detailed below, effective July 1, 2014:

¾''	Meter	\$39.50
1''	Meter	\$47.40
1.50''	Meter	\$69.12
2.00''	Meter	\$100.72
3.00''	Meter	\$187.62
4.00''	Meter	\$314.01

BE IT FURTHER RESOLVED that the Almont Village Council shall retain its consumption charge for sewer system services at its current rate of \$7.95 per 1,000 gallons without an increase being implemented at this point in time for this specific charge.
