Re: Voluntary Survey
Opinion of Medicinal Marihuana Facilities Licensing Act (MMFLA)

Dear Resident/Property Owner,

The Village of Almont is requesting your voluntary participation in completing a short 11-question survey to gauge your feedback regarding allowing certain types of commercially permitted medical marihuana facilities within the Village of Almont, as allowed under the Medical Marihuana Facilities Licensing Act, in accordance with PA 281 of 2016.

For information on the Medical Marihuana Facilities Licensing Act, please visit:

<http://legislature.mi.gov/doc.aspx?mcl-act-281-of-2016>

Each registered voter and tax payer within the Village of Almont will receive an opportunity to participate. The survey may be completed by dropping off in person at the village office; by mailing in an enclosed survey; or by completing the survey online at the following website:

<https://www.surveymonkey.com/r/almont>

To ensure non-duplicate counts, and to assure ANONYMITY, each survey is randomly coded. The code for each respondent is unique and is required to be entered prior to completing the survey. The survey will be available for completion for fourteen (14) days, beginning March 1, 2018 thru March 15, 2018.

Again, the purpose of this short 11-question survey is to gauge the communities' sentiment towards allowing any of the five (5) facilities in the Village of Almont. Should you have any further questions or concerns, please feel free to contact me at 810-798-8528.

Sincerely,

Michael Connors, Village Manager
Village of Almont
